

Attachment Research Tools for Clinicians and Practitioners

29th June 2018

A one day workshop lead by Dr Sonia Gojman de Millán and Dr Salvador Millán in Stockport

Mindsight is partnering with the International Attachment Network to bring a number of unique and special events to Stockport. This is our first collaboration in which pre-eminent researchers and therapists Dr Sonia Gojman de Millán and Dr Salvador Millán will present the main attachment research tools in the context of John Bowlby's work. They will then show the relevance to clinicians and practitioners. If time permits, they will also provide an overview of the attachment projects they have conducted on Mexican Indian Dyads and their Social Character.

Cost £95 (IAN members £80) including tea, coffee and lunch. 6 hours CPD. A certificate of attendance will be provided. For further information go to:
